

FOR SALE

Renault Master, 54 Reg 2.5 120Dci engine, economical to run (uses less diesel than a 4x4), cheap to insure, very easy to drive, can be driven by a 17 year old on a standard car licence, Taxed to December 2010, just serviced, MOT July 2011, 76,000 miles. Timing belt done and new clutch so no big jobs coming up. Converted in Jan 07. Sapphire blue with graphics. Horse area – takes up to 2 16.2hh horses (had one 17.2hh in as an emergency!), rubber matted floor and walls, with moveable central partition and additional side partition, viewing window to cab, 3 windows to the sides, 2 roof vents, storage in Luton, spring assisted ramp. Day area with sink and 2 ring gas hob burner, storage cupboards, seating, door to horse area, 2 saddle / bridle racks. 6 gallon water tank with tap to rear for filling buckets etc. Internal lights. Outside 2 tie rings, Renault tow bar. Central locking, CD player. Very comfortable ride for the horses. Scot Horse Shuttle won a Royal Highland Show award for the quality of the conversion.

Used successfully for trips throughout Scotland, and competitions in England and Wales. Easily used as my accommodation for weekends, but by towing a small caravan it would be extremely comfortable for longer stays.
